Mirna: Abyss now offers custom wigs for your doll. These wigs are made using the same hand tying technique used on the Male Realdoll's hair. The advantage of these wigs is the ultra realistic hairline not found in typical commercial wigs. We can match any photograph in color and style. Pricing ranges from $500 to $1,000.00, depending on style selected. Also custom is the Hot Pink Updo hair as seen on Anna Mae. The additional cost for this wig is $200. The matching jeweled eyebrows are an additional $35.
Mirna: Abyss Creations is proud to announce the development of Expression faces. These faces bring a whole new level to your doll. Please note that the RealDoll Expression faces do not have an oral opening.

Mirna: We can add a penis to any of our Realdoll models. We have sold several of these special dolls as custom orders. Choice of penis size from our selection of sizes can be added. The vagina of the doll can either be eliminated or remain intact depending on the customer's wishes. The cost ranges from $500 - $1,000.
